GENEALOGICAL ORGANIZATION:

This FAMILY HISTORY/GENEALOGY is NOT written for those who are alive today but it IS written for those of our FUTURE GENERATIONS, who may wish to know something about their ANCESTORS, after we are gone. I regret that I did not question my older relatives, while they were alive. I have lived to regret it. The information is no longer available. Should Future Generations be able to acquire a copy of this FAMILY HISTORY/GENEALOGY, perhaps they may be able to learn something about their Heritage, without the Effort and Research that I and others were required to expend, to acquire the enclosed information. I would recommend that a copy of this information be provided to each of your Descendants. It has been said that -"One can not know where one is going, unless, One knows from whence One came". AMEN

THE FOLLOWING NOTES APPLY THROUGHOUT:

A. ONLY DIRECT, BY BLOOD, ANCESTORS/DESCENDANTS and their SPOUSES will be PEDIGREED.

B. The GENERATION NUMBER consists of TWO PARTS:

   PART ONE - The GENERATION NUMBER, applicable to this GENEALOGY, ONLY.
   PART TWO - The ORDER OF BIRTH, of the INDIVIDUAL SHOWN, if KNOWN.

C. ALL UNKNOWNS are left BLANK.

D. ALL DIRECT, BY BLOOD, ANCESTORS/DESCENDANTS, will be "CAPITALIZED".

E. ALL DIRECT, BY BLOOD, ANCESTOR/DESCENDANT SPOUSES will retain the SAME GENERATION NUMBER but may have their own ORDER OF BIRTH NUMBER, if KNOWN.

F. ALL PEDIGREE'S will be FILED by GENERATION NUMBER.

G. ALL DATES are expressed NUMERICALLY by YEAR/MONTH/DAY, except in the TEXT.

H. ALL DATES GIVEN are ASSUMED to be per the CALENDAR in effect, at that TIME

I. ALL ROMAN NUMERALS are used to differentiate between INDIVIDUALS with the SAME NAME AT BIRTH and need not be of HISTORIC SIGNIFICANCE.

J. A QUESTION MARK (?) indicates that the preceeding Date or INFORMATION, MAY or MAY NOT be ACCURATE, it may be an ASSUMPTION or an APPROXIMATION.

K. An ASTERISK (*) indicates an IMMIGRANT ANCESTOR/DESCENDANT.

PERMISSION is GRANTED, to REPRODUCE this HISTORY/GENEALOGY, in WHOLE or in PART, for any LEGITIMATE PURPOSE. PLEASE - Acknowledge me, as your SOURCE.

Continued, on the following Page.

LIEUTENANT THOMAS TRACY II was Born, Raised, Educated and Immigrated to the American Colonies, from Stanway Manor, Gloucestershire, England. He arrived at Salem, MA, in April, 1636 and was a Carpenter by Trade.

As the Eighteenth (18th) Child and Nineth (9th) Son of a very large Family, of Royal Descent, he had very few procpects, for an Inheritance, after his Parents Death, which proved true. He felt that he had a better chance for success in the American Colonies which also proved true.

In February of 1637 he had re-located to Wethersfield, CT. There, in 1641, he Married First, MARY , who's origins are unknown. She may have been the Widow of Edward Mason and is believed to have been Childless. They settled at Saybrook, CT, where all of their Children were Born.

As a result of his and others support of the Mohegan Indians against the Narragansett Indians, they were granted the opportunity to establish the Town of Norwich, CT, in 1659. The Tracy Family re-located to Norwich, CT, in 1660. His First Wife MARY ( ) TRACY Died there some time before his Second Marriage, prior to 1678 ?

As a Member of the CT Militia, in 1666, he was Commissioned an Ensign, in the First Train (Training) Band of Norwich, CT. In 1673, he was Commissioned a Lieutenant in the New London County, CT, Dragoons, raised to fight the Dutch and Indians.

In 1678 ?, he Married Second, the Widow Martha (Bourne) Bradford, at Norwich, CT, the Daughter of Thomas and Elizabeth ( ) Bourne, of Marshfield, MA. She was the Widow of John Bradford I, the Son of William IV and Dorothy (May) Bradford of Plymouth, MA. William Bradford IV was the Second Governor of Plymouth Colony and both he and his Wife were Mayflower Passengers, in 1620. The Widow Martha (Bourne) Bradford bore no Children, in either Marriage.

It is said that he Married Third the Widow Mary (Foote) Stoddard/Goodrich. It is Ssid that Martha (Bourne) Bradford/Tracy Died in 1689, Four Years after the Death of THOMAS TRACY II, her Second Husband. The Second and Third Marriage has no bearing on our Heritage, neither Woman was our Ancestor.

For the time in which he lived, LIEUTENANT THOMAS TRACY II was well Educated. This placed him advantageously, among the leading Men of the Colonies, imediatly, upon his arrival. He avoided publication of his Royal Descent.

He was a prosperous Gentleman of consequence, in the Community, a thorough Businessman and of the Highest Character. Throughout his long life, he was appointed to important Committee's. He held a full share of Public Offices, Legislative, Military and Magisterial. In 1678, he was appointed a Justice of the CT Court.

The Origin and Siblings of MARY , if any, are unknown. There is no doubt that she was an Immigrant Ancestor to America, probably from England.

MARY , Married Edward Mason, at Wethersfield, CT, where he Died before 1640. It is believed that she bore him no Children. There is conflicting information, concerning MARY ( ) TRACY. It has been claimed that the Widow of Edward Mason never remarried, after his death

There is no question, that THOMAS TRACY II Married a woman named MARY, at Wethersfield, CT the question of who she was, is not confirmed. Whoever she was, She was the Mother of all of the TRACY Children. She may not have been previously Married and she may not have been a Widow.

ISRAEL LEE I was Born, Raised, Educated, Married and Died at Lebanon, CT.

He Married DOROTHY TRACY, at Lebanon, CT, the Daughter of CHRISTOPHER I and LYDIA (PARISH) TRACY of Preston, CT. The Newly Weds remained at Lebanon, CT, for the Balance of their Lives.

COMMENTARY:

The information for JOHN II and EXPERIENCE (ABELL) BALDWIN has been provided by Savage. It is Inconcieveable that JOHN BALDWIN II Married EXPERIENCE (ABELL) BALDWIN, when she was possibly Five Years Old. They had a Son John III and Three Daughters. It is assumed that One of those Daughters was MEHITABEL.

The only explanation that I can think of is, JOHN II had been previously Married, in 1680. He then Married EXPERIENCE ABELL, perhaps in 1692 ?, when she was perhaps Eighteen Years Old and he was Thirty Eight Years Old, prior to the Birth of Their Four Children. Ofcoarse, if this is a fact, he may have had Children, in his First Marriage.

HISTORICAL NOTE of INTEREST:

In 1620, Desire Minteer was a Mayflower Passenger, By 1621, half of the Pilgrims had Died of Disease. She was one of the survivors, who selflessly cared for those who Died. As a result, many of the surviving Pilgrims Named their future Daughters DESIRE, in her Honor. The name DESIRE has been passed down to succeeding Generations. In 1623, Desire Minteer, returned to England, un-married and Died, Childless.

I have found that the Name DESIRE has nor been used by our PURITAN Ancestors. If a SURNAME for DESIRE ( ) LEE can be found ? I believe that it is possible to trace her ANCESTORS, back to , atleast One Mayflower Passenger, in 1620.

ALMA GIBSON TWEED was Born, Raised, Educated and Married at Boston, MA. She Married JOSEPH AUGUSTUS BRADY II, the Son of JOSEPH AUGUSTUS I and MARY DORA (HOGAN) BRADY, of Dorchester, MA. They Settled at Boston, MA. The Depression would soon begin and her Family would Struggle, as would others.

She did not finish High School, she was Pregnant and gave Birth at Age Seventeen. She was never gainfully employed, remaining at Home, to raise her Children. She was a very difficult woman, Self Centered, Critical and Highly Opinionated. She found it hard to maintain Friendships or get along with others. As a result of her Personality (she made Enemies) the Family moved Annually, until the mid 50s. It was not unussual for the older Children to attend a new School every year. Until just before she was Widowed, the Family Home was at 4 East Street, Bridgewater, MA. There they had Horses, Goats, Chickens and ofcoarse, Cats and Dogs. Alma was an Animal Lover.

She was Widowed, at age Fifty Three and spent the next Thirty Years, in a second Floor Apartment, in the Home of her Daughter, June Marie (Brady) Wilcox, at 172 Pond Street, Randolph, MA. Her Personality was such, that prior to her Death, she Destroyed all Documentation and Photographs, so that by now, this Pedigree and only Official Records are the only Testement to her Existance. She did have Three outstanding Atributes. She was exceptional with Younger Children. She was an Excellent Housekeeper. She was a Great Baker but a lousy Cook. My Mother, May God rest her Soul, the Author.

She Enlisted in the U S Air Force on Sept. 30, 1979, to begin Active Duty on May 6,1980, thus began her Military Career. She served in Texas, Louisiana, South Carolina, Germany, Korea and Georgia. She was accompanied by her Husband and Children, except in Korea, where she was on Temperary Duty, Twice. She Retired from the U S Air Force, as a Staff Sargeant Medical Technician, on Oct. 31, 2002, with an Honorable Discharge, after Twenty Three Years Service.

She became Pregnant, while on Active Duty, in Mar. 1982 and was Single, at the time. She would Marry Christophers Father, after his Honorable Discharge, from the U S Air Force, in 1984. She Married TWYMAN LeVOY BROCK I, the Son of JAMES ALLIE I and DELPHIA MYRTLE (KING) BROCK, of McMinnville, TN, at Shreveport, LA, as his 2nd WIFE. Being a Single Mother of a Infant, while on Active Duty became untenable. Thus she sent her One Month Old Son to her Parents and Sister, in North Reading, MA, for care. He was returned to her care when he was Ten Months Old and just beginning to walk.

Prior to Retiremant, a Family Home had been established, at Warner Robbins, GA, while her Husband was employed at Fort Benning, GA. Upon Retiremant, she was employed as a Fitting Technician, at her Brother Tom's Business, Total Orthotic and Prosthetic Systems, INC. (TOPS), McMinnville, TN and rented an Apartment from Him, while commuting between Tennessee and Georgia, on Weekends.

In 2006, she returned to the Family Home, in Warner Robbins, GA and is now employed at the Base Hospital, Robbins Air Force Base, GA, as a Receptionist.

THOMAS was Born while the Family lived at 20 Winter Street, North Reading, MA. In 1980, he graduated from the North Reading School System. He later attended One Semester, at the University of MA, Amherst, MA, he determined that College was not for him. He re-located to San Diego, CA.

His early employment centered on Car Repair (he is still a Car Nut). He was working in a garage, at San Diego, CA, when a customer offered him a job, in his Orthotics/Prosthetics Company, as a Technician. He found that he enjoyed working with his hands, using his creative energy and helping people. He also learned that he could not progress beyond Technician, without the proper Education and Experience. He left his job and enrolled at Shelby State College, Memphis, TN, re-locating there, with his future Wife, who's family came from Memphis, TN. He Married Michelle Marrie Hershman, the Daughter of Michael and Carolyn (West) Hershman of Memphis, TN, at Germantown, TN. The Marriage did not survive and they were Divorced, Childless, in 1991, at Memphis, TN.

By 1994, he had obtained Certificates in both Orthotics and Prosthetics and an Associate Degree, in Applied Science. However, he did not have sufficient experience in the Field, to qualify as a Certified Orthotist/Prosthetist, until 1996. He could now start his own business, Total Orthotics and Prosthetic Systems, Inc,, McMinnville, TN, which he did with his then Conpanion, Kimberly Kay Gugler.

The Corporation is successful, however, the Companionship has Soured. After the Birth of their Son, the relationship was dissolved. At this time, the resolution of the Break-up and custody of their Son, is un-resolved.

Bradys mark golden anniversary

The golden wedding anniversary of Mr. and Mrs. Joseph A. Brady III is announced. Brady and the former Claire Jameson met at a dance held at Mosley's in Dedham, Mass., and were married July 4, 1954 in Boston.

The couple have five children including Kathleen Brady Luoto of Plymouth, Mass., Joseph A. Brady IV of Brighton, Colo., Neil P. Brady of Eire, Colo., Carol Brady Brock and Thomas E. Brady, both of McMinnville. They have 10 grandchildren.

The Boston natives have resided in McMinnville for three months. Although Brady served with the U.S. Army Air Force in Germany during World War II, he was fortunate not to have seen any combat duty.

Before retirement, he was employed as an engineer with RCA and his wife was a secretary for Raytheon. Now, she enjoys reading and he devotes his time to geneaology research. Brady is a member of the General Society of Mayflower Descendants and serves as its current assistant general for the State of Tennessee. Therefore, all of his lineal ancestors are direct (by blood) descendants of 19 Mayflower passengers, who sailed to America in 1620.
